

# Floor covering

**If you want to get your career off the ground, our Apprenticeship programme covers all the key skills of floor laying.**

As well as the Apprenticeship programme for the 16-24 age group, for the first time this year we are offering FREE Adult Apprenticeships for the over-25s.

Apprenticeships benefit both employees and employers, providing recognised qualifications which develop skills in the workplace.

Northumberland College offers an NVQ Level 2 in Floor Covering which includes training in preparing surfaces and installing floor coverings. It also builds in Key Skills at Level 1 and a Technical Certificate.

The programme is delivered by a combination of college attendance, onsite assessment and blended learning.

The Advanced Apprenticeship programme in floor covering offers the NVQ and Technical Certificate at Level 3 and Key Skills in Application of Number and Communication at Level 2.

**You must have an employer to become an Apprentice.**

## Who is the programme for?

Apprenticeships are designed for people aged 16-24 years who are already employed. Adult Apprenticeships now offer free training to over-25s too.

## Do I need any formal qualifications?

Ideally you will need GCSE Grade D or above in English, Maths or equivalent. You must have an employer to become an Apprentice.

## Do I need an interview?

Yes, you will need to attend an interview.

## What will I study on the programme?

NVQ Level 2 in Floor Covering. This involves units dealing with:

- Moving and handling resources
- Preparing background surfaces
- Setting out the surface area for laying floor coverings
- Installing textile floor coverings
- Installing timber wood-block floor coverings
- Installing impervious floor coverings

### Key Skills Level 1 in

- Application of Number
- Communication

### Technical Certificate

- Intermediate Construction Award

## How is the programme organised?

The programme initially involves training at a Level 2 standard, which will normally take between 18 and 30 months. You will attend college, access e-learning and spend the remaining time working with your employer.

## How will my progress be assessed?

The NVQ qualifications are assessed by qualified staff both in college and in the workplace. This means you are observed in practical situations as well as collecting evidence of your skills. Key Skills and the Technical Certificate are assessed through a programme of work, assignments and some external tests. You can gain some exemptions from Key Skills depending on your GCSE, AS or A Level grades.

## What final qualification will I get?

- NVQ Level 2 – Floor Covering
- Key Skills Certificates at Level 1
- A Technical Certificate – Intermediate Construction Award

## What could I do after completing this programme successfully?

You can progress onto an Advanced Apprenticeship programme in floor covering, which will involve an NVQ and Technical Certificate at Level 3, and Key Skills in Application of Number, Communication and ICT at Level 2. Once you have completed your Advanced Apprenticeship there may be opportunities for you to progress to higher education.

## Conditions of Training

All Apprentices will be employed for the term of their Apprenticeship and will work within the terms and conditions of their employer (hours of work, holiday entitlement, sickness procedure etc). The minimum wage you are entitled to on an Apprenticeship is £80 per week. However employers are encouraged to review this as you progress and gain more experience.
