

Capture your **Future**

Our stunning rural campus near Ponteland has a long established history as the main provider of land based training in the region, stretching back more than 50 years.

The campus

The campus provides excellent learning facilities for the subject areas we offer to help you gain hands on practical training and develop the skills you need for your future career.

Facilities include:

- Two working farms
- Extensive gardens and grounds
- 1,330sqm of amenity and commercial greenhouses
- Extensive woodland, countryside, plant and wildlife
- Equestrian centre
- Animal management centre
- Renewable energies workshop.

This year we have welcomed some new arrivals to our animal management centre including baby emus, a scorpion and a Chinese water dragon.

Future planned developments include a new indoor equine arena and additional zoo related animals to further develop the learning experience of our students.

Subjects available

From entry level to higher education, whatever your qualifications we have a course to suit you in:

- Agriculture
- Animal care and Veterinary nursing
- Arboriculture
- Countryside and environment
- Equine
- Horticulture and Floristry
- Renewable energies
- Sport - outdoor education.
