GB08/096 New Build CONFIDENTIAL

LI confirmed that the New Build committee scheduled later in October would be cancelled due to the presentation given by IL. After the presentation governors raised various questions after which it was **agreed** that a paper highlighting the links between the developments at Berwick, Kirkley and Blyth to the College's strategic objectives should be produced to the New Build Committee in November.

Clerk

SR declared an interest as he had set up the planning committee for the Berwick Skills Centre.

The report was received.

GB08/097 Presentation on performance indicators/framework for excellence

DFer presented and it was **agreed** that the KPI's should be incorporated into the Strategic Plan and the self assessment process. The Standards Committee should monitor the progress of this. It was important so see which committees were reporting to the Standards Committee so that finance/audit issues could be fed back into the Strategic Plan. LI and IT to discuss this matter further.

LI/IT

GB08/098 Franchise Report

This would be produced to the next meeting.

Clerk

GB08/099 Pegasus Project

MJ left the meeting having declared an interest in the Report. As the financial part of the report had not been included Governors **agreed** that a decision could not be made. After discussion it was **agreed** that RH would at the proposed meeting on Monday conclude that that authority had not yet been given by the Corporation but that he would revert as soon as possible thereafter.

GB08/100 Enrolments 2008/09

AC explained the mechanisms behind the report and targets would be confirmed once the software had been received. It was noted that delays in reporting was a national issue due to changes in funding methodology. The report was noted and a revised report would be presented to the next F&P meeting.

Clerk

GB08/101 Financial update CONFIDENTIAL

CS presented confirming that the update had been seen by F&P. After a healthy discussion it was noted that:-

1. Governors should receive financial training;
2. F&P had changed its terms of reference to capture what should be reported;
3. Governors would like to learn how the cash position had unfolded and why SMT had not been highlighted to any issues;
4. The Corporation to ensure that high level controls were maintained and routinely reported. It was **agreed** that reporting procedures to F&P should be revitalised;
5. The Corporation to receive at all meeting going forward – where the College is against budget, variance reporting from budget and the cash position;
6. REJ to be given authority to agree new finance procedures before the arrival of a new FD;

Governors agreed all the points in the report and the capital expenditure, and income expenditure against budget for the year.

GB08/102 Strategic Plan Update

Governors agreed that priorities should be flushed out and the Standards Committee was empowered to do this.

The report was received.

GB08/103 Equality and Diversity Policy

HW presented the policy governors noting that this was an update from the briefing and training given this summer. The revised wording was agreed and SA was asked to see when the paper should be returned to the Corporation.

Clerk
