HEALTH SPA AND HAIR SALON

Welcome to the  
Northumberland  
Health Spa and Hair Salon.

Located at Northumberland College in Ashington, we are here to provide you with the ultimate pamper experience at very reasonable prices.

Our health spa offers treatments ranging from manicures to a non-surgical facelift and is also an official stockist of Dermalogica skincare products.

Our hair salon is run by our hairdressing students and uses Wella hair care products providing a choice of services from cuts to colours for both men and women.

Treatments are provided by our hair and beauty students under supervision of our highly qualified, experienced staff. Both salons also stock a range of products for clients to purchase.

## SKIN TESTS

For eyelash and eyebrow tinting, eyelash perming and false lash application all clients are required to have a skin test 24 – 48 hours before treatment.

Please let your therapist know if you suffer from any allergies e.g. nut, wheat etc. as this may mean you need a skin test 48 hours before treatment.

If you have any medical conditions you must inform the therapist as the condition could be aggravated by treatments.

A skin test must be taken 24 – 48 hours prior to any hair colour treatment.

## OPENING TIMES

### Beauty salon (Term Time Only)
